Document Number: 401190899
Sec.26 T1N R66W
Weld County, Colorado

Dear Mr. Lepore,

This letter hereby certifies that Ward Petroleum Corporation (Ward) complied with Rule 306.e. for the above referenced Oil and Gas Location. All Building Unit Owners within the buffer zone were sent certified letters notifying them that Ward is seeking an oil and gas permit and associated Oil and Gas Location Assessment (OGLA). Ward obtained a waiver from the nearby building unit owner waiving the thirty (30) day notice requirements prior to submitting the OGLA.

To date, no phone calls or meeting requests were received from those notified. We continue to be available to answer questions and hold meetings between residents and operator.

Please send a copy of all correspondence to Upstream Petroleum Management, Inc. at 7000 S. Yosemite St. Suite 290B, Englewood, CO 80112. Please contact me or Kim Rodell at 303-942-0506 or at agross@upstreampm.com or krödel@upstreampm.com, respectively, if you have any questions.

Sincerely,
UPSTREAM PETROLEUM MANAGEMENT, INC.
