### CORRECTIVE ACTIONS:

1 ☒ CA# 66369

Corrective Action: File From 42 NOTICE OF CONSTRUCTION ASAP. Staff will be communicating with Management & Enforcement re: Neglect /lack of Notification.

Date: 03/06/2017

Response: CA COMPLETED Date of Completion: 03/06/2017

Operator Comment: Laramie Staff had been granted an approved Form 2A for this location. The Notice of Construction was submitted today 3/6/2017 after construction had already started.

COGCC Decision: Approved

COGCC Representative: A form 2A does not resolve the issue of not submitting a form 42 notice of construction 48 hours prior to construction . The form 42 has been submitted per the CA. However as indicated by the Operator it was submitted approximately a month late and only likely in response the the CA. Some form of enforcement will be pursued in the near future.
