General Comment:

Site inspection to confirm no construction of CE&P facility per F-4 submittal abandoning permit. Note that the F-4 lists the site in Garfield County 045 but coordinate data places it in Rio Blanco County 103. Site is undisturbed sagebrush with scattered Pinyon/Juniper. No visual evidence of any prior construction activity. Historic aerials 1990s-2015 show no surface disturbance. Facility status changed to "abandoned location" in COGCC database. No further action required by Hunter Ridge.
