**General Comment:**

This is an Abandoned Location Inspection for Wells API# 045-12970 & 045-12969 prompted by Bond Release Request. APDs first Approved 10/10/2006 for Petrogulf; Permits Abandoned 10/11/2007 by Laramie. The Location Related to these Wells was Not Built; however an Active Location has been built layered over it; making these Well Releases on an Active Location.
