COGCC Comments

Comment	User	Date
Inspection in response to landowner concerns regarding reclamation following corrective actions subject to Spill/Release 444739. Please see attached photos which include a figure depicting the spill/release point and excavation limits for the related corrective actions. Note that the spill/release point and resulting excavation were on the pad. The excavation was properly reclaimed, no evidence of subsidence.	canfielc	08/15/2016
