

NGL C5B – DIRECTIONAL - HALF MILE RADIUS MINERAL OWNERS MAP
Sec 29-T2N-R64W

No production from injection zone within 1/2 -mile. Per the rule no mineral owner notification required.

This map illustrates the NGL-C5B and NGL-C5A areas in Hudson, CO. The map shows the location of the NGL-C5B Bottom Hole (marked with a green 'X') and the NGL-C5A Bottom Hole (marked with a red dot). The NGL-C5B Surface is also indicated. Distances of 1/2-Mile and 1/4-Mile are shown between the bottom holes and the surface. The map includes various well locations, such as DALE 1, KAMINSKY 1, GRATTAN 1, and PARKER 29-34. The map also shows the location of the NGL-C5 Vertical well. The map is labeled with 'Hudson, CO.' and includes a scale bar (1" = 1500 Feet) and a north arrow.
