Field Inspector Actions:

On 3-28-2017, I was contacted by James Precup NE supervisor of the COGCC in reference to a noise complaint at the residence of the complainant Clyde Hutchins 3937 Valley Crest Drive Timnath CO 80547.

I contacted the complainant and he indicated he had been experiencing noise an annoying sound coming from the Extraction locations which were located approx. 2 miles away to the SE of his home. The complainant stated the noise occurred during the nighttime at different times.

I performed a site inspection at the locations indicated by the complainant. See inspection doc# 672500480/672500479 for results of site inspections.

I contacted Extractions Josh Carlisle to get the sound study results from the times the complaint had experienced the noise to check for any possible compliance issues. All information from the studies and the site inspection were directed to the complaint specialist for further review.

At the time of inspection, no violations of COGCC rules were observed.
