

# Stormwater Inspection

April 3, 2017

Operator: NOBLE ENERGY INC- #100322

Location ID: 445257

Weld County, CO

NWNE Section 22 T9N R59W

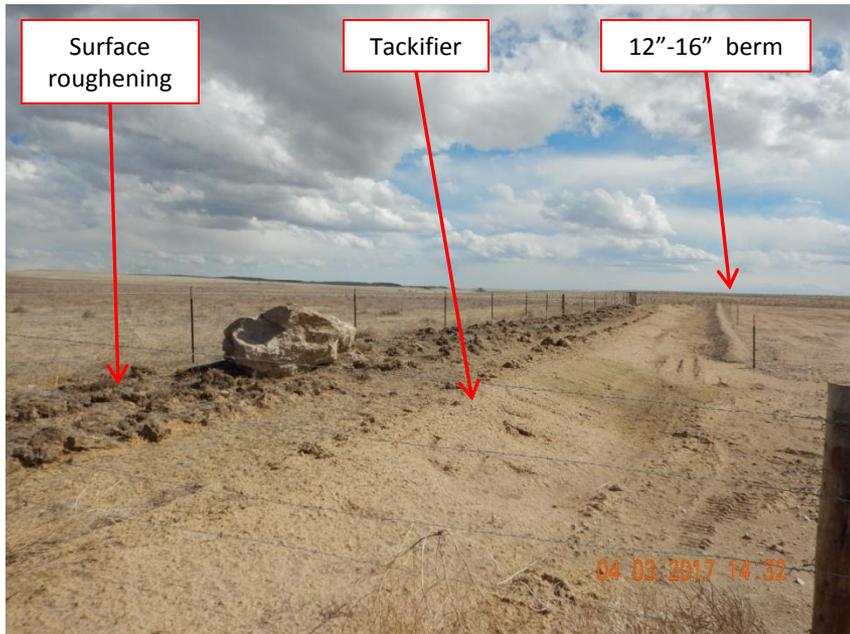

Chris Binschus  
Reclamation Specialist, COGCC

**COLORADO**  
Oil & Gas Conservation  
Commission

Department of Natural Resources

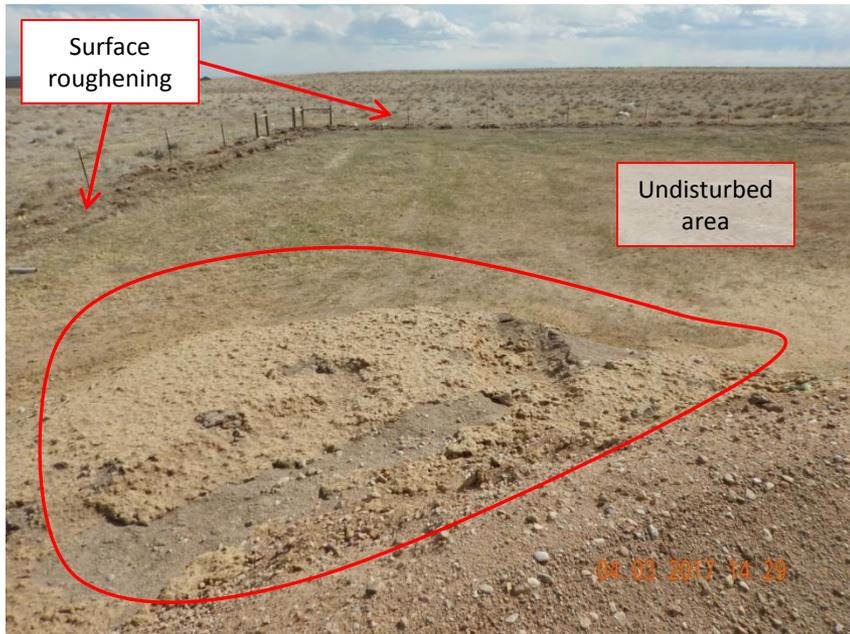

Inspection Photos  
Location Name: LC22-02 /PAD  
Location ID: 445257

**Photo 1.** Photo taken from the northeast location, facing South. Surface roughening has been installed along the perimeter of the location, in conjunction with a tackifier along portions of the fill slope. A 12"-16" berm has been installed along the production area.

**Photo 2.** Photo taken from the northeast location, facing Southeast. Photo illustrates current stormwater BMPs.

Inspection Photos  
Location Name: LC22-02 /PAD  
Location ID: 445257

**Photo 3.** Photo taken from the southeast location, facing South. Surface roughening has been installed along the location perimeter. A large undisturbed, vegetated area exists between the production area and the temporary BMP- surface roughening. A portion of the fill slope does not appear to be stabilized.

**Photo 4.** Photo taken from the southeast location, facing Southwest. Topsoil stockpile has been stored along the southern location and a tackifier applied.
