Re: The Searchers #2-25 Well E/2 NE/4 Sec. 25-5S-54W

Dear Mr. Lepore:

The proposed well site for the The Searchers #2-25 Well is located approximately 42 feet north of the property line shared by the NE/4 and the SE/4 of Section 25 Township 5S, Range 54W (2616 feet FSL and 770 feet FEL).

Grand Mesa Operating Company (GMOC) is the legal owner and/or operator of record of the following Oil and Gas Leases located in Washington County, Colorado, described as follows:

GMOC reviewed seismic data over these lands and the proposed location of this well is in the best interest of both parties to give the highest degree of success in locating oil and/or gas in producing quantities on these lands.

Larry D. and Gayla M. Buethe have signed the attached Waiver, waiving the 150 feet from a property line requirement in Rule 603.a.(2) of the Colorado Oil and Gas Conservation Commission rules.

An exception to the 150 feet from a property line rule is hereby requested for the drilling of the The Searchers #2-25 Well in the NE/4 of 25-5S-54W, Washington County, Colorado.

Very truly yours,

GRAND MESA OPERATING COMPANY
