

**P AMERICA PRODUCTION COMPANY**  
Tank Capacity: 21 Barrels  
BP Control Center 24 H. Phone #: 970-247-6916  
Emergency Contact #: 911

**Produced Water  
w/ Natural Gas**

**DANGER!** Produced water may contain hydrogen sulfide, iron and skin irritants.

Tanks may contain explosive gas (natural gas) which is highly flammable. Inhaling gas, if inhaled, may irritate the throat, chest, nose, and eyes and lead to loss of consciousness at high concentrations.

Explosive vapors should be controlled by the correct procedure. Avoid contact with eyes, skin and clothing. Wash thoroughly if splashed.
