O-Tex  
Pumping, LLC

The image shows a large industrial machine, likely a pump or generator, with a white body and a maroon top section. A worker in blue overalls and a white hard hat is standing on a yellow metal platform on top of the machine. To the right of the main unit is a tall, grey metal cabinet with two doors. Various pipes, including a large blue one, and electrical conduits are visible. The background shows bare trees and a clear blue sky. A timestamp is in the bottom right corner.
