Dear Mr. Lepore:

Please let this letter serve as a request for administrative approval of exception locations for the captioned oil and gas wells.

Verdad Resources ("Verdad") proposes to drill the above referenced well at a surface location outside a legal drilling window as defined by Rule 318A.a.(1). and at a surface location further than 50' from an existing well as defined by Rule 318A.c.(1).

Signed waivers of rules 318A.a.(1) and 318A.c.(1) by the surface owner can be found in our Surface Use Agreement for this well on file with the COGCC.

Thank you for your assistance in this matter.

If you have any questions or comments, please contact me at 720-651-8409.

Kind Regards,

Kenny Trueax
