Re: Exception Location Request to COGCC Rules 318A.a. & 318A.c.:
Wake East 32-N wells: SWSE, Section 32, Township 6 North, Range 65 West, Weld County, CO

Dear Mr. Lepore:

Extraction Oil & Gas, LLC (Extraction) is planning to drill the following wells:

Wake East 1N (Doc # 401214722), Wake East 12C (Doc # 401215289),
Wake East 2N (Doc # 401214787), Wake East 13N (Doc # 401215307),
Wake East 3C (Doc # 401214799), Wake East 14N (Doc # 401215326),
Wake East 4N (Doc # 401214812), Wake East 15C (Doc # 401215342),
Wake East 5N (Doc # 401214836), Wake East 16N (Doc # 401215446),
Wake East 6C (Doc # 401214858), Wake East 17N (Doc # 401215489),
Wake East 7N (Doc # 401214915), Wake East 18C (Doc # 401215497),
Wake East 8N (Doc # 401214931), Wake East 19N (Doc # 401215522),
Wake East 9C (Doc # 401215225), Wake East 20N (Doc # 401215620),
Wake East 10N (Doc # 401215261), Wake East 21C (Doc # 401215686),
Wake East 11N (Doc # 401215279), Wake East 22N (Doc # 401215696)

The surface locations of Extraction's proposed wells have been staked outside of the COGCC Rule 318A.a. Greater Wattenberg Area (GWA) Drilling Window. The wells are also greater than 50' away from an existing well. Extraction is the surface owner and self-waives Rules 318A.a. and 318A.c.

Extraction respectfully requests the COGCC to review the enclosed information and approve the requested exceptions to Rule 318A.a and Rule 318A.c. for the wells on the subject pad. This is the best location for the wells because they will be as far away as possible from building units without being in the floodway.

Sincerely,

Alyssa Andrews
