

**General Information**  
 Location: New Location  
 Ownership: FEE Surface  
 SUA Status: N/A  
 Adjacent Owners: Chevron & Laramie

**Plan of Development**

**General:** The Trail Ridge Pit 11-5-697 will be constructed and utilized for completions operations in the Trail Ridge area. Water will be pumped to and from location utilizing existing infrastructure and proposed pipeline as detailed below. See construction layout drawing for additional details.

**Access:** New access will be constructed from existing road to pad.

**Production:** Tanks (4-400bbl oil/2-1000bbl gun barrel) will be installed in a 40' x 56' are on the west side of the pit. In addition, four (4) pumps and six (6) generators will be installed on the south side of the pit for water transfer operations.

**Pipeline:** TEP will install 3-10" water pipelines and 1-4" water pipelines from the proposed pit to the TR 44-35-597 pad. 3-10" water lines (approx. 4961' each) will tie-into previously planned 10" water pipelines and the proposed 4" water pipeline (approx. 5053') will tie-in to an existing 4" produced water pipeline east of the TR 44-35-597 pad.

- Legend**
- Proposed Road
  - Proposed Production Equipment Area
  - Proposed Daylight Line
  - Proposed Pad or Pit
  - Existing Fence
  - Proposed Gas Pipeline Reroute (4")
  - Proposed Water Pipeline (3-10" & 1-4")
  - Existing Gas Pipeline
  - Existing Water Pipeline
  - Existing Road
  - Existing Pad
  - Parcel Ownership
