Location of Concern	I can smell the gas/paint thinner -like smell when I step outside into my backyard. I live within 0.5 miles of Crestone's Waste Connections drilling site.
Do you know who the oil and gas company is? If so, please specify and if you contacted them already please indicate that and who you talked with.	Crestone Peak Resources owns the well. It is the Waste Connections site. I have not contacted them directly since, as I have explained before, they are not responsive to phone calls or emails -- or even bad reviews on Facebook.
