RE: Nichols 24-07 Pad, Location Number Not Yet Assigned  
Operator: Laramie Energy, LLC  
SENW Section 24, Township 9S, Range 94W, 6<sup>th</sup> PM

Dear Director LePore:

Laramie Energy, LLC, is submitting this exception location request to Spacing Order 429-16, as it relates to the Form 2A (document # 401235908) and all of the wells on the Nichols 24-07 pad. Spacing Order 429-16 limits development to one surface location in the SENW.

The surface owner has consented to a second well pad on the property via the fully executed Surface Use Agreement.

Therefore, Laramie Energy is requesting approval for a second pad in the SENW of Section 24.

Sincerely,
