Detailed description of the issue or issues.	,Oil odor started tonight at 10:30pm. It hasn't been noticeable all day. We can't have our windows open at night and it gets very hot. Shifting the operations that causes this smell isn't a solution. This is unacceptable and I want something done about it from your agency or I'm going to get every media outlet in the state involved. This is our quality of life and you're supposed to be regulating this. Please imagine if this was your house, your neighborhood.
