COGCC  
Representative:

**OPERATOR COMMENT AND SUBMITTAL**

Comment: Inspector noted that stormwater BMPs were not in place. Wattles were ordered and stormwater BMPs were installed 3/21/17.  
Inspector noted that drill pit should be closed, Rule 1003.d. Operator contacted John Axelson, Environmental Supervisor and discussed Operator's desire to delay pit closure until field study could be completed mid-2017, in case there might be additional opportunity to side-track well. If not, efforts would be made to initiate the pit closure.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
