Diane, I just received a rig up notice to rig up 04/17/2017 to plug this well. I see that the NOI expired 04/05/2017, are we okay to rig up without a verbal extension approval. I did not find an email for an extension.

We did do a FORM 17 11/10/2016.

CONDITIONS OF APPROVAL, IF ANY:

Expiration Date: 4/5/2017

Date Run: 10/6/2016 Doc [#401103581] Well Name: HSR-TELISCHAK 8-28

Page 2 of 3

COA Type

Description

1) Prior to starting plugging operations, a bradenhead test shall be performed. If any pressure remains at the conclusion of the test or any liquids were present contact COGCC Engineer for sampling requirements. The Form 17 shall be submitted within 10 days of the test.
