Detailed description of the issue or issues.	, Starting at about 2:30 PM, with 80-degrees, almost no wind and mostly clear skies, I noticed the same chemical smells starting to waft into my home. At 2:45 I had to pick up my children at Erie High School, traveling through Vista Ridge, along Alpine Dr., and north onto CR 5. Returning home from EHS at 3:10 PM, heading south along CR 5, I again observed white tanker vehicles exiting the Waste Connections pad site, and upon returning home a

	few minutes later found that the scent had, again, increased. Like a truck stop, it smells of diesel and rubber. Quite strong and foul. This is now the second time that I've observed and reported the delivery of liquid to the site correlating with an increasing odor over long (30-60 minute) durations, constituting a severe nuisance to my family.
