Detailed description of the issue or issues.	, Odor creating a nuisance in my home, on my property, and in my neighborhood and town. The odor and fumes this evening (9:30 pm 6/13/17) are particularly strong and took my breath away when I walked out the garage doorway. It was sting in the garage as well as the door had been open. I intended to hand water trees and rose bush but could not because of this odor nuisance and felt at risk because of the severity of the fumes. Please help with this situation
