On May 23, 2017 COGCC SW EPS Jim Hughes conducted a follow up environmental field inspection of the Thompson Engineering and Production Bondad 33-9 #34A. For the most recent field inspection report of this facility, please refer to document #674901626. COGCC West Environmental Supervisor Alex Fischer was on site during this field inspection. The secondary containment berm for the open topped produced water tank has been repaired to provide adequate capacity for the 95 bbl. tank.	hughesj	06/14/2017
