Detailed description of the issue or issues.	, Sounds like a freight train is next door ... Again. Tonight was especially annoying and enbarrassing as we had to explain to friends from out of town what the loud noise was as we tried to enjoy a barbbq in our backyard. Couldnt even carry on a conversation it was so obnoxiously loud. Ended up going inside. thanks crestone and cogcc. You are very effective. Come live in my neighborhood for a few nights. Since you still havent done anything about this problem... I would not like the same generic email you have sent for my last 10 complaints. Tell me what I can do next to appeal that you are not enforcing oil and gas regulations. Thanks.
