Sample ID	Facility ID	Sample Date	Sample Purpose

COMMENTS

There is one water well located within a 1/2 mile radius of the well pad. Olsson Associates made contact with the landowner to schedule a sampling, but was told that the well is no longer in operation. The well has been struck by lightning and will not be fixed prior to the conductors being set for this well. As soon as the well is operational, a post-baseline sample will be collected and submitted to the COGCC.

Operator Comments:

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
