<p>Have you contacted any other agencies or local governments related to this issue or issues? If so, please provide details.</p>	<p>It doesn't do any good. Even you, the COGCC just lump all of my complaints together and do nothing. Here's a comparison for you: if I were assaulted by someone and called the police, they would file a report. If I were assaulted by that same person the next day, they would file a NEW report rather than just consider it all the same incident. The COGCC is a puppet show. You have regulations but don't enforce them. It's theater for your public image. Filling out the complaint form seems to be more for me than for you -- so I'm going to call it like I see it. You won't read this anyway.</p>
<p>What is your preferred method for the COGCC to communicate with you throughout the investigation? (Select all that apply)</p>	<p>Postal Mail, e-mail, Phone</p>
