Dear Tricia:

VIA FEDERAL EXPRESS

Enclosed please find, in triplicate, five Applications for Permit to Drill on behalf of The Robert Gerrity Company covering the following five wells:

1. Wiedeman-PM J21-9
2. Wiedeman-PM J21-10
3. Coltrane-PM J28-4
4. Coltrane-PM J28-5
5. Mossberg-PM J30-9

Each has the applicable location plat attached to ensure that all who receive an approved permit will also receive a plat. Our check in the amount of \$375 is likewise enclosed.

Please approve all three originals of the Applications, and (i) return one to me in the enclosed return envelopes, and (ii) the other to The Robert Gerrity Company at 3200 Cherry Creek South Drive, Suite 200, Denver, CO 80209...to the attention of Marilyn Dymond-Wagner. This is a bit of a change from our past procedure, but should work out better.

Thanks for your help. If you have any questions or if there are any problems, please give me a call.

Cordially,

William G. Crews
