Detailed description of the issue or issues.	,This evening at 7:16pm the strong petroleum odor was back. It was gone by 8:45pm. It was pretty bad this evening -- so I put on my new 3M respirator so that I could breathe in my yard. We have now endured nearly 6 weeks of exposure to this petroleum odor that burns the sinuses and causes headaches. Shame on everyone who allows this assault on Erie residents to continue.
