**Subject:** State Reportable Notification

Good Afternoon,

We had a State reportable release due to the quantity of soil excavated at the location noted below. During well abandonment operations, historical hydrocarbon impacts were encountered. More information will be provided in a forthcoming COGCC Initial Form 19 Release Report. Please let me know if you have any questions.

Well: Kugel V 18-5  
API: 05-123-17258  
Legals: SWNW Sec. 18-T2N-R67W

Thanks
