The Jurisdictional Agency determination was based on information contained in or added to the Application. Review by the professional staff of the Colorado Commission indicates that this well is an (New) (Ord) well. The well produces from the Code 1

reservoir ~~(s)~~; and was drilled after February 19, 1977. The well is located in the
spaced area of the Bracewell Field, which is spaced for 80 acre units. The
well is the first and only well on the unit.

This conclusion was originated by examination of plat records maintained by the
Colorado Commission, completion report, and statements in the application.

Which show this well is a new onshore well not drilled into a proration unit.

And meets the qualifications of a (103) well as defined in the N.G.P.A.
