RE: COGCC Rule 305.a.: Meetings with Building Unit Owners within a Buffer Zone Setback
COGCC Rule 305.a: Operator Certification
Stillroven Farm Pad: NENE, Section 5, Township 3 North, Range 68 West
Weld County, Colorado

Dear Mr. Lepore,

Captiva Energy Partners (Captiva), has filed the Form 2A Oil and Gas Location Assessment (OGLA) for the proposed oil and gas pad referenced above.

Pursuant to COGCC Rule 305.a., Captiva certifies that the required notifications to all Building Unit Owners within the Buffer Zone Setback were sent and was available for meeting and/or consultation.

Captiva has no contact from any of the Building Unit owners.

This letter serves as Operator Certification that Captiva has complied with COGCC Rule 305.a and resolved Building Unit Owner concerns.

Captiva respectfully requests the COGCC approve the Form 2A for the Stillroven Farm Pad.

Respectfully,
