RE: Request for waiver and consent to location of the Chevron TR 612-28-597 Well

Dear Ms. Weinacht,

The purpose of this letter is to request Chevron U.S.A. Inc.'s ("Chevron's") consent and waiver of objection to an exception location under Colorado Oil and Gas Conservation Commission ("COGCC") Rule 318.c., for the Chevron TR 612-28-597 Well (the "Well"), operated by TEP Rocky Mountain LLC, Operator No. 96850 ("TEP"), located in the SW¼ of Section 28, Township 5 South, Range 97 West, Garfield County, Colorado ("Subject Lands").

The Subject Lands are subject to Order No. 510-17 and Order No. 510-44 which allows 100 foot downhole setbacks when adjacent lands have been granted 10-acre density. Order No. 510-57 established 10-acre density and 100 foot downhole setbacks for the NW¼ of Section 28, Township 5 South, Range 97 West, Garfield County, Colorado ("Adjacent Lands"). Accordingly, the Subject Lands have 100 foot downhole setbacks.

TEP seeks and hereby requests an exception location because Chevron is the mineral owner under both the Subject Lands and Adjacent Lands. Please see the plat attached as Exhibit A depicting the Well location.

Thank you for your assistance and please do not hesitate to contact me with any questions.

Sincerely,

TEP Rocky Mountain LLC

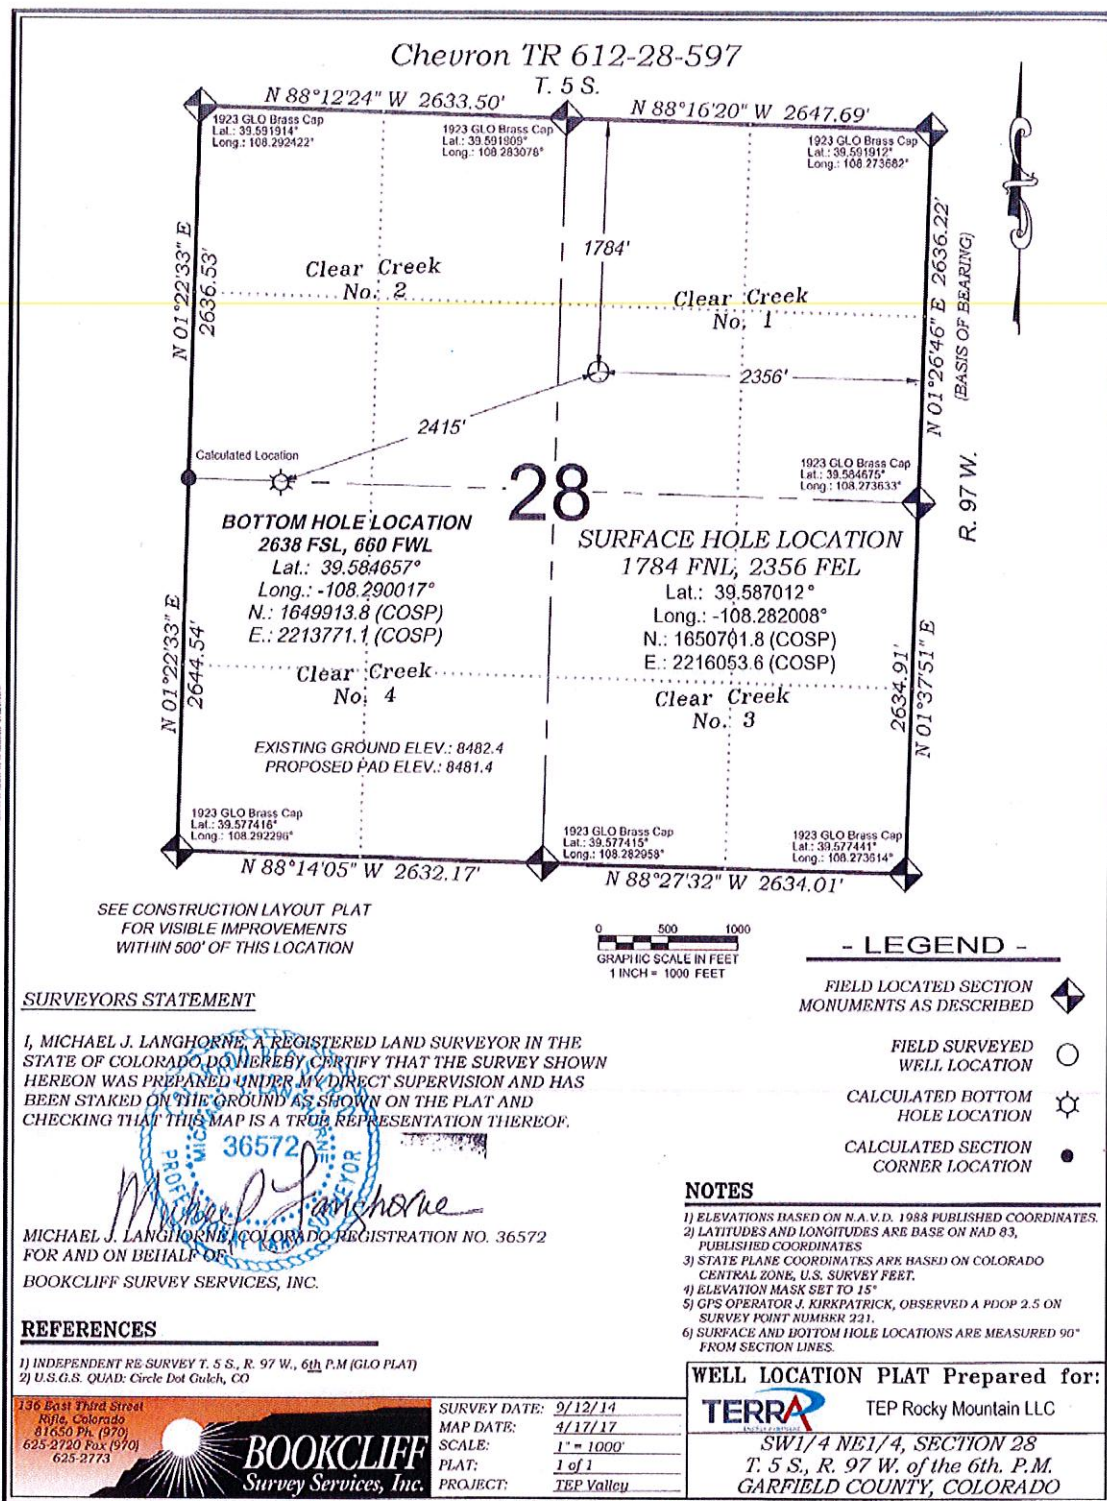

Katie Pollock  
Landman

Chevron waives its objection and consents to the location of the Chevron TR 612-28-597 Well.
