RE: TEP Rocky Mountain LLC (TEP) – 318.c. Exception Location request for TR 612-28-597

Dear Mr. Lepore:

This letter is an Exception Location request based on obtaining a signed waiver by the lease and mineral interest owner (see attached letter) per Rule 318.c. for the TR 612-28-597, located in the SW  $\frac{1}{4}$  of Section 28, Township 5 South, Range 97 West, Garfield County, Colorado ("Subject Lands").

This exception location request specifically pertains to the Subject Lands under Order No. 510-17 and Order No. 510-44, which allows 100 foot downhole setbacks when adjacent lands have been granted 10-acre density. Order No. 510-57 established 10-acre density and 100-foot downhole setbacks for the NW  $\frac{1}{4}$  of Section 28, Township 5 South, Range 97 West, Garfield County, Colorado ("Adjacent Lands"). Accordingly, the Subject Lands have 100 foot downhole setbacks.

TEP believes this request is warranted based on obtaining a waiver from the mineral interest owner under both the Subject Lands and Adjacent Lands. Your timely attention and acceptance of this request is appreciated.

If you have any questions, please contact me directly at 970-263-2736.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeffrey D. Kirtland", is written over a light blue circular stamp.
