Section 24: SESW  
Weld County, Colorado

Dear Director Lepore:

Kerr-McGee hereby certifies that a "Notice of Intent to Conduct Operations" was received by the Surface Owner, the owners of all Building Units within 1000' of disturbance and the Local Government Designee for Weld County at least forty-five (45) days prior to submitting an Oil and Gas Location Assessment (Form 2A).

The proposed oil and gas location is a Large UMA facility. Kerr McGee provided Notice of Intent to Construct Large UMA (NLUMA) to the local government with land use authority. Weld County responded to the NLUMA stating that the WOGLA process will be utilized to review the proposed siting.

Proof of receipt is available should you require it.

Sincerely,

**Kerr-McGee Oil & Gas Onshore LP**
