A photograph of a rural landscape featuring a cornfield in the foreground and a grassy hill in the background under a cloudy sky. A speed limit sign is positioned in the middle ground, partially obscuring the corn plants. The sign is white with a black border and black text. The text on the sign reads "SPEED LIMIT" in a smaller font, followed by "20" in a larger font. The sign is mounted on a metal pole. The corn plants are green and appear to be in the early stages of growth. The hill in the background is covered in dry, yellowish-brown grass. The sky is blue with scattered white clouds. A red timestamp is visible in the bottom right corner of the image.
