Comment:

Corrective Action:

Date **08/22/2017**

Since the spring seeding window has passed, revegetation activities shall be complete no later than 11/15/17. The following shall be performed by 8/22/17: Remove the meter shed equipment and culvert, remove gravel from location, perform compaction alleviation, and re-contour/re-grade access road. Ensure temporary stabilization controls are in place until revegetation activities can occur later in the Fall. See COGCC comments for additional corrective actions regarding revegetation.
