General Comment:

Date of Inspection: 06-27-17

Type of Inspection: Form 2A Pre-Permit Approval Onsite

Location Name: DC 27 Pad; DC-27 Well

Form 2A # 401283035

Location ID #: NA

API #: NA

Conducted onsite for proposed well location (approximately 350' by 400') on 06-27-17; location will have a gravel pad, one wellhead, partial surface (mostly underground) take away pipeline to a nearby cluster location for separation, glycol skid, and scada equipment; location is dry land farming and will require interim reclamation (cropland) after well completion and well is in production; location is in a 'sensitive area' due to close water well (604'); no nearby (<500') drainages or surface water; location should be inspected once constructed, drilled, completed, flowline tested, and in production.
