Dear Mr. Lepore,

Captiva Energy Partners LLC ("Captiva"), certifies it has complied with the meeting requirements of Rule 306.e. pertaining to Building Unit owners who received an OGLA Notice or Buffer Zone Notice pursuant to Rule 305.c. and requested a meeting regarding the above-referenced Oil and Gas Location. A Captiva representative was available to meet with Building Unit owners at their request or at the request of the Local Governmental Designee.

As a result of the Rule 305.c notice, a representative for Building Unit owner Mr. David Schwind contacted Captiva on July 19th via telephone with questions concerning the Oil and Gas Location and the facilities. A meeting was not requested as a result of this contact, and at this time, no other meetings have been requested.

Sincerely,
