Good afternoon Rick,

The Weld County Office of Emergency Management has been notified of the spill and we are in the process of contacting the surface owner to notify them as well. I will update you accordingly as soon as we are able to reach the surface owner.

Please let me know if you have any questions, or if you need any additional information.

Thank you for your help!

Hi Sydney,

Since this spill resulted in >1 bbl spilled outside secondary containment please confirm that the local emergency response authority, usually Weld County Office of Emergency Management, was notified along with the Surface Owner.

Thank you

Rick
