Date: 8-15-2017 Time Hrs
Well Number#: Location #: 336459
Inspection Document #: 674200194
Nature of complaint: Berm Condition
Field Inspector Actions:
On 8-15-2017, I was contacted by complaint specialist Megan Adamczyk in reference to a complaint received by the COGCC in reference to berm damage in the Frederick area. On 8-15-2017, I performed a complete site inspection of the Walsh U24-16D location. Upon inspection of the location I did not observe any violations of COGCC rules at the time of the inspection. The berms on location were in good condition and appeared to comply with all COGCC rules. Photos of the Berms and the location were attached to the inspection.
All information reviewed and site inspection information were submitted to the COGCC for further review.
