Section 21: SESE
Weld County, Colorado

Dear Mr. and Mrs. Lange:

The abandoned (**RMPCO (UPRR) Lange #1 Well**) well located on your property described above needs to be re-entered and re-plugged to improve the integrity of the well bore. Prior to commencement of those operations, the Colorado Oil and Gas Conservation Commission requires the Operator to inform you and to secure your agreement to the procedures.

We need to locate the location of the old well bore and bring it to the surface in order to re-plug it.

Please acknowledge your receipt of this notice and your consent to the proposed operations by signing, dating and returning this letter to the undersigned. A self-addressed, stamped envelope is provided for your convenience.

If you have any questions or concerns regarding this matter, please do not hesitate to contact me directly at (970) 515-1621.

Very truly yours,
