**RE: COGCC Rule 303.b. (3) J.iii. Evidence of Building Unit Owners Pre-Application Notification  
Troudt 18-27 Pad: NENW Section 27 -T6N-66W  
Weld County, Colorado**

Dear Mr. Lepore,

SRC Energy Inc, (SRC) has filed a Form 2A Oil and Gas Location Assessment (OGLA) for the Troudt 18-27 Pad.

SRC has provided the required Pre-Application Notifications to all Building Unit Owners within the Buffer Zone Setback pursuant to Colorado Oil and Gas Conservation Commission (COGCC) Rule 305.a. Pursuant to Rule 303.b.(3)J.iii., attached please find proof of delivery receipts for the Building Unit Owners. Please be advised that SRC certifies that Building Unit Owners within the Buffer Zone have received their pre-application notification and proof of receipt is attached to this letter.

Please note the BU within the buffer zone that is 688' feet from SRC proposed pad, is owned by SRC. Since SRC owns this Building Unit in Buffer Zone, we did not need to file a pre-application notice as we own the Surface. The Building unit that is 915' feet from SRC's proposed pad received his certified mail 305.a. Pre-application Notice, and confirmation is attached.

SRC respectfully requests the COGCC approve the Form 2A for the Troudt 18-27 Pad. If you should have any questions or require additional information, please do not hesitate contacting me at 720.616.4319 or via email at [EEKBLAD@SYRGINFO.COM](mailto:EEKBLAD@SYRGINFO.COM). Thank you for your consideration of this matter.

Sincerely,

  
Erin Ekblad
