Reclamation - Storm Water - Pit**Storm Water:**

Loc Erosion BMPs	BMP Maintenance	Lease Road Erosion BMPs	Lease BMP Maintenance	Chemical BMPs	Chemical BMP Maintenance	Comment

Comment: Main road to location has multiple areas of erosion across roadway and sediment migration down gradient of road surface. This location is a federal surface hence the inspection is being forwarded to a BLM representative so they may respond to the operator on what actions should be implemented. The road would not meet the COGCC stormwater rules for erosion and sediment migration.

Corrective Action:

Date: _____

Pits: ☒ NO SURFACE INDICATION OF PIT
