

# Construction and Stormwater Inspection

October 24, 2017

Operator: GRYNBERG\* JACK DBA GRYNBERG PETROLEUM CO - #36200

Location ID: 441995

Weld County, CO

NWNW Section 24 T12N R65W

Chris Binschus  
Reclamation Specialist, COGCC

**COLORADO**  
Oil & Gas Conservation  
Commission

Department of Natural Resources

## Inspection Photos

Location Name: Grynberg Stateline Federal /24-12-65-4 Pad

Location ID: 441995

**Photo 1.** Google Earth aerial imagery taken on September 7, 2016. A disturbance area of 8.95 acres was mapped on 10/24/2017 using a Trimble Juno 3B handheld device (red line). Appears the Operator has overbuilt the location by 1.55 acres (21% overbuilt) per the approved Form 2A .

## Inspection Photos

Location Name: Grynberg Stateline Federal /24-12-65-4 Pad

Location ID: 441995

**Photo 2.** Photo taken from the southwest location, facing East. No stormwater or erosion control BMPs observed. Per Form 42 (Notice of construction), construction activities commenced on October 12, 2017. Operator has failed to install stormwater and erosion control BMPs prior to, or at, the start of construction.

## Inspection Photos

Location Name: Grynberg Stateline Federal /24-12-65-4 Pad

Location ID: 441995

**Photo 3.** Photo taken from the southwest location, facing North. See comments under Photo 2.

**Photo 4.** Photo taken from the western location, facing North. Appears topsoil has been salvaged and stored along the western perimeter of the location. No observed stormwater and erosion control BMPs around the topsoil stockpile.

## Inspection Photos

Location Name: Grynberg Stateline Federal /24-12-65-4 Pad

Location ID: 441995

**Photo 5.** Photo taken from the northwest location, facing East. Operator shall control both run-off and run-on onto location. Operator shall stabilize all cut slopes to minimize site degradation.

**Photo 6.** Photo taken from the northwest location, facing South. See comments under Photo 5.

## Inspection Photos
