I Dick Rogers, manager of Chimney Canyon Grazing Association would prefer that on the location of the Gaims-Guerrero 22-15, NENW, Section 15, Township 11N, Range 54W, of Logan County to naturally to reseed with grass instead of drilling grass seed. There has not been enough precipitation for the grass seed to grow. Also the location has began to reseed itself. Thank you for your time in this matter.

Sincerely,

Dick Rogers  
Manager
