## OPERATOR COMMENTS AND SUBMITTAL

Comments A wellbore diagram of the entire well is attached to the pilot APD for reference.  
This is a Southern Ute Tribal well, so this APD is submitted to COGCC for informational purposes only.  
The box in the Offset Well Evaluation tab has not been clicked because, though this horizontal lateral is within 1500' of another well, the laterals will not be fracture stimulated and is therefore not subject to the Interim Statewide Horizontal Offset Policy.
