11/09/2017

Operator: ST CROIX OPERATING INC - 81490

Location ID: 452312

Inspection Doc. Number: 682502777

Washington County, CO

Aaron Trujillo  
NE Reclamation Specialist  
COGCC

Inspection Photos  
Operator: ST CROIX OPERATING INC - 81490  
Location ID: 452312

**Photo 1:** Photo taken from the east end of the location, facing south. Photos 1-3 provide a “panoramic” overview of the location. Photo shows that, with exception to the pit, no topsoil salvage has been conducted on the location. All equipment has been stored directly upon the soil surface/topsoil.

**Photo 2:** Photo taken from the east end of the location, facing southwest. See comments under photo 1.

Location ID: 452312

**Photo 3:** Photo taken from the east end of the location, facing west. See comments under photo 1.

**Photo 4:** Photo taken from the east side of the pit. Photo shows materials have been placed onto a tarp.

**Photo 5:** Photo taken from the east end of the pit. Previous inspections documented that soil around pit are loose materials and have not been stabilized. Inspection required operator to implement BMPs to stabilize soils. Photo shows soil stockpile berm on the east (and west) end of the pit remains unstabilized.

**Photo 6:** Photo taken from the east end of the pit. Previous inspections documented that soil around pit are loose materials and have not been stabilized. Inspection required operator to implement BMPs to stabilize soils. Photo shows operator has implemented hydro mulch on the southern portion of the soil stockpile, however, soil stockpile berm on the east end of the pit remains unstabilized.
