

SURFACE USE AGREEMENT

This Surface Use Agreement (the "Agreement") is made and entered into this ____ day of August, 2015 ("Effective Date") between NGL Water Solutions DJ, LLC, ("User") and D&C Farms, LLLP, D. Gary Howard, John E. Howard and Diana Howard (collectively "Grantors"). User and Grantors may individually be referred to as a "Party" and collectively as "Parties."

RECITALS

- A. Grantors own a parcel of land of approximately 20 acres, which is described on Exhibit A attached hereto, the "Property".
- B. User intends to permit two salt water injection wells to be located on the Property for the purpose of treating and disposing via sub-surface injection salt water and qualified oilfield waste liquids produced in conjunction with oil and gas production (the "SWD Wells").
- D. Up to and including the date of closing and possession of the Property by User, Grantors wish to allow User to access the Property for all purposes related to the planning and development of the SWD Wells and site construction requirements, in an effort to assist User in fulfilling its Purpose (defined in Sec. 1.1 below), and User wishes to perform such actions.

TERMS AND CONDITIONS

NOW, THEREFORE, IN CONSIDERATION of REDACTED and for the mutual promises, conditions and agreements contained in this Agreement, the sufficiency of which is hereby acknowledged, the parties hereby mutually agree as follows:

1. Grant and Scope of Access Rights.

1.1 Subject to the terms and conditions of this Agreement, Grantors hereby grant and conveys to User and its employees, agents, contractors, and subcontractors the right to access, for the term set out below, in, on and over the Property to access, survey, and store equipment in accordance with the terms of this Agreement for the purpose of planning and designing two SWD Wells (the "Purpose").

1.2 Rights-of-Way. Grantors grant and convey to User and its employees, agents, contractors and subcontractors, for the term set out below, the rights-of-way necessary for the access, survey, staking and construction planning and design by User pursuant to this Agreement. Grantors acknowledge and agree that User may use any and all such rights-of-way on the Property for the purpose of planning site construction.

1.3 Grantors' Uses. Notwithstanding the foregoing, User agrees, to the extent practicable, not to affect the Property in a manner that is materially adverse to Grantors' agricultural, ranching, mining, oil and gas extraction, generation of electricity, installation of utilities, recreational improvements, or any other legal use of the Property.

8.2 Amendments. No amendment or modification of this Agreement shall be effective unless it is in writing and signed by an authorized representative of each Party.

8.3 Counterparts. This Agreement may be executed in multiple counterparts, no one of which need be executed by all parties hereto, each of which shall constitute an original. Counterparts thus executed shall together constitute one and the same instrument. Any electronic signatures transmitted by facsimile or in portable document format (.pdf) shall be deemed an original.
