SECTION 34, SESE  
WELD COUNTY, COLORADO**

Dear Mr. Cervi,

Bonanza Creek Energy Operating Company LLC. ("Bonanza") is planning to drill the above mentioned well to the Niobrara formation.

Rule 603a. of the Colorado Oil and Gas Commission's Rules and Regulations requires wells to be located not less than one hundred fifty (150) feet from a surface property line.

The surface location of Bonanza's proposed wells has been staked outside of the property line safety setback requirements. The location is being permitted as an exception location.

Bonanza Creek respectfully request that you waive the COGCC Rule 603a. requirement so the well may be drilled as agreed upon.

Please evidence your request to waive COGCC Rule 603a. by signing below. If you have any questions regarding this matter, please contact Melissa Mayer at (720) 440-6128.

Sincerely,

Brian Dodek  
Manager – Environmental & Regulatory Compliance
