Good morning Doug

For Troutd 18-27 Pad 2A, doc# 401368318, we found an error in our internal approval process of our plat packages that got missed in our reclamation plats for this pad. We need two values to change. Attached the full reclamation plat to this email as well.

New total acreages:Size of disturbed area during construction in acre: 16.11 change to **21.42**Size of location after interim reclamation in acre: 3.57 change to **8.88**

Please call me if you have any questions.
