RE: Certification of Compliance with Rule 306.e.  
20 well Arnold 02N-64W-24 pad

Dear Director Lepore,

Verdad Resources LLC (Verdad) hereby certifies that it has complied with meeting requirements of Rule 306.e, which states that an Operator shall be available to meet with building unit owners who received an OGLA notice or a buffer zone notice pursuant to Rule 305.c. and requested a meeting regarding the proposed oil and gas location.

The operator sent notices pursuant to Rule 305.c with confirmation of delivery on 5/19/17. Verdad had one surface owner who contacted us for a consultation. All questions and concerns were addressed to her satisfaction during the open comment period.

In Compliance with Rule 306.e Verdad was (and is) available to meet with such Building Unit owners upon request of the owner or if requested to do so by the Local Government Designee. Verdad respectfully requests that the Director approve the wells. Should you have any questions or concerns please contact the undersigned at 720-651-8409.

Sincerely,

Kenny Trueax  
Regulatory Manager  
Verdad Resources LLC
